

Interested in Becoming a DART Sales Outlet?

Operated by the Delaware Transit Corporation (DTC), DART provides the transportation needs to the residents of Delaware.

DART provides more than 11,185,000 passenger trips annually, helping to remove 7,034,591 single occupant trips from our area roadways.

Passengers of all ages and professions depend on DART to get to work, school, shopping centers, medical offices, recreation centers and other destinations.

Your office, agency, or organization can become a partner with your state transportation provider by becoming a DART Sales Outlet. One of our major partner's outlets in the State is the many ACME Markets who have been selling our DARTCard since 2003.

Some of the benefits of partnering with DART as ticket Sales Outlet include:

1. Providing a valuable community service to your fellow residents
2. Realize increased store/agency and customer/client traffic
3. Help to sustain and build DART public transit in your area

How do you become a Sale Outlet Partner?

- Purchase tickets (tickets are sold at face value – not for profit)
- Sign and enter into a consignment agreement
