The service proposal calls for several state-wide routing and service adjustments; and schedule adjustments on many routes to improve on-time performance, connections, and service reliability.

Summary of proposed changes by County:

New Castle County

Schedule adjustments are proposed to improve on-time performance, connections, and service reliability to many routes in New Castle County on all service days. Please refer to the proposed schedule for specific trip time changes.

- Route 5** – The routing between Casino at Delaware Park and Christiana Mall would be altered to serve Christiana Hospital and Churchmans Road, no longer serving stops along DE 4 and DE 7, including Del Tech.
- Route 9** – Sunday service would be introduced, operating eight round trips between 6:47 AM and 8:10 PM.
- Route 10** – The route from Newark would enter Wilmington via I-95 and Martin Luther King Blvd instead of I-495 and Walnut Street. The routing to Newark would remain the same.
- Route 15** – New service would be provided to the Hope Center only on Christiana Mall-bound trips, from 7 to 10 AM and from 4 to 7 PM, operating daily.
- Route 37** – The route would be discontinued due to low ridership. Service to Amazon in Middletown from Wilmington would still be available by taking Route 301 and connecting with Route 46 at Odessa Park & Ride.
- Route 44** – Service would be discontinued in St. Georges due to low ridership, instead travelling on Wrangle Hill Road between Delaware City and Wrangle Hill Park & Ride. Saturday service would be discontinued.
- Route 62** – The route would be discontinued due to low ridership.
- Route 64** – Three evening Sunday trips would be discontinued due to low ridership.

- Route 204 (Yellow Line)** – During the Beach Bus season, Route 204 would be extended to the Rehoboth Park & Ride from the Lewes Transit Center, serving the outlets. Service frequencies would be reduced to operate every 50 minutes from every 30 minutes, and service would be discontinued after 10 PM due to low ridership.
- Route 204 (Year-Round)** – Service would be reduced to operate every 60 minutes from every 30 minutes due to low ridership. Additionally, service would continue to begin and end at the Lewes Transit Center.
