ADA Complaint

Procedure and Form

ADA Complaint Procedure

Title II and III of the Americans with Disabilities Act of 1990 (ADA) provide that no entity shall discriminate against an individual with a disability in connection with the provision of transportation service. The law sets forth specific requirements for addressing complaints and providing service. In the Delaware Transit Corporation (DTC) complaint investigation process, we analyze the complainant's allegations for possible ADA and related deficiencies by the transit provider. If deficiencies are identified, they are presented to the transit provider and assistance is offered to correct the inadequacies within a predetermined timeframe.
