## The Right Stop

When at the bus stop, stand close enough to the bus stop sign so that the Operator knows you're waiting to board.

Please get to the bus stop at least 5 minutes before the published arrival time.

Before boarding, look at the sign on the front and side of the bus which displays the route number and final destination.

For safety reasons at the bus stop, and as a common courtesy before you board, please wait for any passengers to exit the bus.

While riding, be aware of where the bus is on the route so that you don't miss your stop and listen to announcements. To let the Operator know you'd like to get off at the next stop, press the yellow wall strip or pull the cord located above you. Wait until the bus comes to a complete stop before exiting.

## Paying Your Fare

Download the **DART Pass** mobile fare payment app as a convenient and contactless way to pay your fare using a smart phone.

DART Pass

Take a look at the details on the back panel of this brochure.

The farebox accepts coins, \$1 bills or passes and is located just inside the front door next to the Operator. Please have your fare ready as you board, including your phone if using **DART Pass**.

If you would like to purchase a Daily Pass or if you're paying a student fare, please let the operator know before paying.

Reduced fare passengers (persons 65 and over, or who have a qualifying disability) must show a Medicare Card or DART Reduced Fare Photo ID when paying the fare.
